### Electronic Sending

As a save the planet/use less paper initiative we are thrilled to advise our intention of only issue monthly statements electronically by email.

Further to this all invoices will be issued electronically by email or EDI/BTB, and where practical any credits too.

How can I, your customer, play my part?

- Store electronically invoices, credits, statements again electronically vs printing them,
- Do not pay us by cheque, pay us these ways –
- Direct Deposit, Desk Bank, Transfer or similar (click to read) our bank details here.
